## SPECIAL CHRISTMAS ISSUE

December was such a special time this year, from Dec 1<sup>st</sup> all the lovely staff started to wear Christmas clothing and hair bands, playing Christmas music and full of smiles, ready to get everybody into the Christmas mood. Our ladies had their nails painted in Christmas designs, we made Christmas Cards and Decorations and decorated the home especially for the festivities.

We had a show with our friend Gary on 5<sup>th</sup> Dec, his music was enjoyed by all, the ladies and gents playing along with percussion, lots of smiles and laughter. We also had some families join us in the evening of Dec 5<sup>th</sup> for our 'Curry Night' our kitchen presented a mouth watering meal of traditional Indian cuisine which was a sensation and enjoyed by all our guests and the staff who attended.

Our Carol Service was held on 19<sup>th</sup> December, where we sang songs karaoke style, with the large screen. Later that day we had a show with our favourite crooner Dean Cauldwell singing old hits and Christmas songs and this was followed by our Family Fun Afternoon, we were joined by families for a Christmas Quiz and Bingo, followed by our Christmas Raffle Draw. We had some lovely prizes and raised £256 which will be spent on treats for our lovely ladies and gents.

We had another Christmas Concert with the talented Craig Balien on Dec 23<sup>rd</sup>, which everybody enjoyed toe tapping and singing along to Christmas hymns, songs and some of our favourite old tunes.
